Station WHRB
16 Dunster Street
Cambridge 38, Massachusetts

Dear Mr. McElroy:

We are very glad that you would like to come down to Smith and take over our broadcasting. As for dates, April 16 would be better for us. We would like you to broadcast from seven until midnight.

We have an outlet for your tape recordings. We have a large collection of records, but we are sure that it is not as extensive as yours. It is hard for us to give you an estimate of what we have so it might be a good idea if you consulted some of the members of WHRB who have come in past years.

We are really looking forward to your "schmool" to Smith! It should be great fun for both stations. If you have any more questions please let us know. See you on April 16th.

Sincerely,

Saby Davis
